Good morning. I was wondering if Scarsdale Village would be partaking in this tribute (see link below) to remember all the locals who died due to COVID-19. I'm not sure what's possible, but it is heartbreaking to think of the lives lost in such a lonely way. I don't know all the local folks who died, but Paul Sved comes to mind.

Please let me know if I can be of help to coordinate anything. Thanks for your time.

Anita
