Subject: Re: Governor's executive order

Hi Greg,

We are not sure if an EO will be issued. In the meantime, we are working on a couple of different options to enforce the newly implemented limits on construction activity. Please know that the Village will be responsive to the Governor's direction, but also note that it may take a little time to obtain full compliance.

I hope you and your family are and remain well.

Best regards,

Marc

CAUTION: External sender.

Hi Mayor,

The police department has received multiple calls about contractors violating the executive order on non-emergency work. At this time they cannot enforce the executive order because they do not have an official signed copy of the order.

They are trying to find an official copy, but have not done so yet. Can you help?

Thank you,
Greg Schwend
