Good afternoon.

I have just a very short comment on the Freightway Site Redevelopment.

Please do not decrease the number of commuter parking spots available.

I believe Scarsdale has one of the best systems for commuter parking with multiple lots, the lottery, etc. I've heard horror stories of other towns with decades long waiting lists and severe parking shortages. Let's try to keep all the parking spots we have (and possibly add more). It's a win-win for residents and for the town.

Thanks,
Jon Hill
