**PETITION TO VILLAGE AND BOARD OF TRUSTEES URGING
THE VILLAGE TO OBJECT TO THE PROPOSED MONTE NIDO FACILITY**

We, the undersigned Scarsdale residents, urge our Mayor and Board of Trustees to object to the Monte Nido facility proposed to be located at 2 Morris Lane (the "Proposed Facility"). There is no question that if located at the selected site, the Proposed Facility will substantially alter the character and nature of this residential neighborhood. As a For Profit organization which charges extraordinarily high daily fees and works to heal its patients in the most expeditious time frame, the Proposed Facility will out of necessity involve transients and a very heavy staff component. Therefore, the selection of this site should be opposed by the Village Board and we urge all residents to come out on November 24 to add your voices to this Petition opposing Monte Nido's application. The Village must propose alternative suitable sites, of which there are many, and if Monte Nido does not withdraw its application to establish the Proposed Facility at this proposed site the Village should object and proceed to a hearing to prevent the commercialization of this residential neighborhood.
