Subject: village Attorney position and long-term Financial Plan

CAUTION: External sender.

I would simply like to note that I am in complete agreement with the views expressed in Robert Berg's latest email to residents.

As an attorney having practiced for more than 30 years at huge and small firms, I find it hard to comprehend how you could think that it will be cheaper to use an outside law firm or firms to deal with all Village legal matters.

What was the compensation package for the last village Attorney?

and do either one of you not have a long-term financial plan in your personal lives?

Thank you for your consideration in this matter.
