Subject: Article 78

Dear Mr. Mayor,

I write to ask that you and the Board of Trustees not fight the Article 78 brought by a group of Scarsdale residents regarding the recent deeply flawed revaluation. It is unfortunate that we have had to resort to this legal action to right this wrong. By opposing the legal action, you will only be spending more taxpayer money to shore up an inherently faulty study. I hope that you and the Board will take advantage of the opportunity presented by the Article 78 to put this episode behind us.

Respectfully,

Alan Steinfeld, MD
