Subject: Dog Park in Scarsdale

Dear Mayor Hochvert and Trustee Arest -

Thank you both for your service to our community! I understand that this evening you will consider a proposal to hire a consultant to evaluate a site for a dog park in Scarsdale near the Weinberg Nature Center.

As a dog owner, I am delighted to hear that you are considering this proposal. We got our first dog a little over a year ago, and I am amazed at how many new neighbors I have met while walking my dog. I look forward to having a local dog park for Scarsdale residents where both my puppy and I can meet our friends.

If you are in need for community residents to serve on a committee related to this endeavor, I would be delighted to serve.

Thank you for considering the proposal to add a dog park.

Best,

Amber Yusuf
28 Myrtledale Road
