Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, the Scarsdale Public Library also serves as a community meeting space and intellectual hub.

We have consistently used the library throughout my children's years -- first as babies and toddlers, then as young adult readers and now my daughter uses it to study for high school exams. It is a wonderful resource for programs, books, cd's and a quiet place to work. I think expanding the library so that it can be used as a community meeting space and intellectual hub is a fantastic idea and I have no doubt that it will be utilized and cherished and will enrich life in the town.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12M bond.

Sincerely,

Amy Roberts
