CAUTION: External sender.

Good evening,

I want to voice my support in dedicating The Football Field @ Crossway to Rippy Phillips. Rippy has selflessly been dedicating his time to molding Scarsdale's young athletes into good football teams, but even more importantly fine teammates and good citizens. With the game of football under attack his dedication and commitment over the years has surely been tested. Many times it's been an uphill battle, very few would have seen it thru to this point. He sees a deeper meaning in the game and how it can provide tremendous structure for young athletes. He has stayed flexible and changed to match the needs of the community.

Naming the field after him would be the least the community could do to pay him back.

Thank you for your attention to this,
Andrew Brennan
