Dear Mr. Rubin -- Thank you for your email. By cc to Benny Salanitro, Superintendent of the Department of Public Works, I am passing on your comment regarding the Fenimore road sidewalk.

Very truly yours, Jon Mark

Steve, your folks have done a nice job w the storm. One specific I wanted to raise from a commuter standpoint - am pleased that the Fenimore sidewalk had been done in time for even very early commuters this am. Could use another run if resources allow, but more than passable right now. I also welcome all the communications you did yesterday.

Kudos
