Hi Village of Scarsdale, thank you for listening and asking for feedback on the parking, it is much appreciated.

I am open to the changes that are being proposed for new locations but the new pricing does seem really high. The merchant lot has been under 1000 which I think is fair but over that, that is a big increase especially when most people are making minimum wage at merchant jobs. These are people who are providing a service to our town and keeping it robust and giving it a reason for people to visit, eat and shop. So if you may please consider to keep it under 1000.

Many thanks.

All the best,  
Natasha
