Dear Mayor Samwick, I hope you had an enjoyable and safe Thanksgiving with your family.

I urge you to permit members of the public to comment during the upcoming Work Session on the Freightway Parking Garage. Until the pandemic-induced Zoom sessions began early this year, members of the public were always invited to participate actively in the Work Sessions. Such public comment should be welcomed by the Board for the upcoming meeting, especially given the mismatch last year between the Board's views on the best plans for Freightway redevelopment and the public's. Best regards, Bob.
