Subject: Re: Is There a Village Board Meeting on the Library on Monday ? Time ?

There is no question that residents must be informed of the date and times of meeting.

We scheduled the March 7th meeting at the February 23rd agenda meeting so it was not on the February 23rd meeting agenda as a future. If it had been scheduled at some earlier time it would have been listed there. I announced the March 7th meeting during the February 23rd BOT meeting. The March 7th meeting is listed in the Calendar section of the Village web site home page. where all meetings are listed. Listing them on the home page saves residents two additional steps: clicking through the BOT tab and then finding the correct agenda and clicking on that. Meeting notices are routinely sent to all the media (it is up to them to publish them).

I think listing a March 7 meeting as a Future Meeting on the agenda for the March 8th meeting might be read as a typo.

See you tomorrow. JM

JM, Thanks for the direction to the Calendar. I would suggest that for residents who look at the Village Board Agenda for the coming Board meeting that any meeting coming up on the Monday before the Tuesday Board Meeting should be listed under the " Future Meeting Schedule " of the printed Agenda to help inform our residents.

All meetings are listed on the Village web site as per usual. See second box down titled "Calendar" on the right hand side of the Village web page linked below.

<http://www.scarsdale.com/>

Tomorrow's Committee of the Whole meeting re the Library is at 6:00 pm, third floor, Village Hall. Will check with staff re taping.

The agenda for the March 8th Board meeting is posted under the Board of Trustees tab on the Village web site.

Meeting Notice were sent to the *Inquirer*, *Journal News (Lohud)*, and the electronic media that cover the Village regularly, as is always done. What they do with the notices is up to them. Note that the first page of the second section of the March 4, 2016 edition of the *Inquirer* -- the "Arts and Entertainment" section -- still has a February 26, 2016 header on it. No comment.

Mayor Jon,

Is there a Village Board meeting on the Library this Monday at Village Hall ? Time ?

I do not see one word about the meeting on the Village Web site, meetings on the Tuesday

Village Board Agenda , Inquirer Calendar, 10583 Calendar . Please tell me where, if I missed it.

I have received several calls asking if there is a meeting. I hope you will have it TV taped .
