Dear Sir/Mme.,

I have known Rippy since the 70s having played sports with him and his brothers. The naming of the field at crossways is very appropriate for somebody who has given so much of his life to the kids of Scarsdale.

If this is not a worthy cause, what is? The naming of the field will give memory to Rippy who spent much of his life in Scarsdale; and himself grew up in a house across from the crossways field.

I would urge the Board to vote "yes" for the field naming tonight

Sincerely

Michael Hulen
