Everyone-

I grew up playing football on the Crossways field, once losing a heartbreaker against my dear friend Kyle Gifford. Frank Gifford consoled me after the loss that day, and Kyle and I went on to play on the 1972 championship team at Scarsdale High School. Rippy Phillips and I became dear friends after he organized a 30th reunion of that team. Rippy has spent his lifetime in promoting Scarsdale Football, and single handedly kept the sport alive in the community. No small task. I can think of no one who is more deserving of this honor.
