Marilyn, thank you so much for taking the time to write. It is wonderful to hear from longtime residents. As you know, public input is essential. I am copying Assistant Village Manager Richards who is collecting community commentary and sharing it with the Board. All the best, Jane

Subject: marijuana dispensaries

CAUTION: External sender.

They may be legal in NYS now, but I don't think they should be allowed in our Scarsdale community. We don't have bars, cigar shops, etc. We certainly don't need dispensaries or lounges for marijuana. I've lived here for over 35 years and I would like to keep our community safe and clean. I've lived in 3 different locations in Scarsdale and I want to keep the village just the way it is. We do need other businesses besides jewelry stores and real estate offices, but not marijuana dispensaries.
