To the Mayor and Trustees:

I've enjoyed going to the Pool for many years.

I realize the Pool needs necessary repairs.

I would like to keep the Pool as it is, with better heating for the Pool, and better showers, and whatever is needed to keep it going. However, I don't want to change its original purpose-as a summer Pool.

The Pool is a beloved community resource for those of us who do not have a summer home, a private club, or their own pools.

I want to see the Pool as it is, not a year-round complex.

I also don't want to see higher taxes.

Sincerely,

Carole Henry
