Subject: Limiting Gun Sales

Dear Mayor Hochvert,

As a long time resident of Scarsdale, & New York State, I write to you to prohibit the sale of guns in our village & Westchester County.

While the many empty store fronts in our village are disappointing & depressing, we cannot leave the door open to retailers that may sell guns & ammunition. This only leads to death & destruction.

I fully support a ban on such sales & leasing to those that may want to open a Gun & Artillery store in Scarsdale.

Sincerely,

Catherine McDonald
