Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, The Scarsdale Public Library also serves as a community meeting space and hub.

This project is important to me because it provides a service that the whole community can use. I am at the library on a weekly basis taking out books or videos. I often have to request books from other libraries because they are not in the Scarsdale library stacks. It really is a shame that the library cannot provide a better learning space for students and meeting areas for community activities. If it was bigger and more modernized it really could be a catalyst for bringing the community together.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond.

Sincerely,

Chyi Sun
