To the Scarsdale Board of Trustees,

I am writing to urge you to uphold the decision of the Committee for Historic Preservation to deny the application to demolish the historic home at 11 Dolma Road and protect the character of our neighborhoods.

I concur with the reasoning set forth in a letter submitted by resident Joanne Wallenstein to the Board of Trustees as I watch the snow drifting over a large lot at 5 Quaker Center that has been an empty gutted property where a lovely home was torn down almost three years ago and nothing has been built there since. Perhaps the Village can create a green space for our neighborhood to enjoy.

Respectfully submitted,

B. Kathleen Munguia
