Subject: Scarsdale Public Library

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, The Scarsdale Public Library also serves as a community meeting space and hub.

Our family moved to Scarsdale because of the quality of its public schools. A community with such an excellent school district needs to have a public library on par with its schools. This is exactly the type of project I want my tax dollars to fund, and I am happy to make a private donation to support this project as well.

My children are now old enough that they enjoy going to the library as a special place to do homework, in addition to a place to borrow books several times per month. The expansion project would make the library an even more inviting place to spend extended time.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond. Thank you for your thoughtful consideration of this project.

Sincerely,

Dana Matsushita
