Subject: Support for the Scarsdale Library Bond

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, The Scarsdale Public Library also serves as a community meeting space and hub.

I have been so impressed by my high school student and his friends' eagerness to congregate and study at the library in the evenings and on weekends. They find the public space to be so inviting and conducive to learning. The fact that the young members of our community, despite their digitally connected and focused lives, want to have a place to meet in person to further their educations speaks volumes to the necessity of supporting our public library.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond.

Sincerely,

Elaine Rosenstein
