Subject: Please Pass the Bond for the Necessary Update of the Library

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that my family and I support the $12M bond to transform the Scarsdale Public Library. The library is an essential resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. In addition to providing our community with books, programs, and other tools, the Scarsdale Public Library also serves as a meeting space and intellectual hub. During the past year, as a volunteer, I have helped plan evening events that have brought large crowds--of all ages--to the Library. In fact, space is tight, and scheduling can be tricky. We need more flexible space to meet the demand for engaged discussion and collaborative learning.

This project is important to me because my husband and I chose this town, in large part, because of the vaunted school system, and we feel that the quality of the library should be commensurate with our excellent schools. Scarsdale is a place where people value education highly, and an up-to-date library is really a necessary part of the picture.

I urge you to make this project a priority for the Village of Scarsdale and to pass the $12M bond. Thank you for your time and attention.

Sincerely,

Elyse Mall Klayman
