Subject: Scarsdale library

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, The Scarsdale Public Library also serves as a community meeting space and hub.

This community space is of importance to me and my family for the same reasons you are receiving emails from countless mothers in our area. As a stay at home mom with two children under public school age, I look forward to the community activities and offerings that I can take my girls to during the weekdays.

We moved out of NYC to one of the top school districts in all of New York State, although we are not benefitting from that school system as of yet. Still, our tax dollars are hard at work to improve and maintain the schools that my girls will soon attend. In the interim, community facilities like the library should be just as up to date and spectacular for the non-school age population as those in elementary and above.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond.

Sincerely,

Erin Lesser
9 Springdale Road
Scarsdale
