CAUTION: External sender.

Hi Marc and The Board of Trustees of Scarsdale!

Just a quick note to let you know that we are fully in support of the Rippy Philipps field at Crossways.

I had 4 kids play football under Rippy's leadership and they all have the best memories of Saturday morning football games. The donuts Rippy brought each week was another highlight. What a honor to name the field after an SHS alum who gave back so much to our community.
