**Subject:** Elimination of House Pickup Recycle Material

To the Scarsdale Mayor, Scarsdale Board and Scarsdale Clerk,

My family and I strongly oppose the elimination of the Village service to pick up recycle material at the house instead at the road. I have been a resident of Scarsdale for over 45 years and during that period of time the Village seems to continue to reduce Village services, never once adding additional services even though we pay some of the highest taxes in the country. In addition, I have a long driveway and at age 77 am not in position to drag recycle bins down to busy Mamaroneck Road and back again. I urge the Village Board to oppose this reduction of services.

Thank you,  
Gary L. Naughton
