Subject: Library Renovations Bond

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, the Scarsdale Public Library also serves as a community meeting space and intellectual hub.

This project is important to me because I chose this town, in large part, because of the excellent school system, and I feel that the quality of the library should be commensurate with our excellent schools. Scarsdale is a place where people value education and learning highly, and an up-to-date library is a necessary part of the picture.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12M bond.

Sincerely,

The Givner Family
