Subject: Library

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an important community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public library's continue to be vital community resources. In addition to providing our community with books, programs, and other resources, Scarsdale Library also serves as a community meeting space and hub.

This project is important to me because it would significantly better the community. Having grown up in Scarsdale I know how important it was to have a meeting place for students and used the library for this many times. It is crucial that we pass this and have the library renovated to bring it up to the standards of the 21st century.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond.

Sincerely,
Haley Kraut
