Subject: Opening of Scarsdale Pool Complex Last Weekend

CAUTION: External sender.

To All :

My wife , Terri, and I would like to Congratulate the Scarsdale Recreation Department and Pool Complex Staff for an excellent opening of our community pools last Saturday and Sunday .

The young staff were well trained and courteous, the water was warm, the social distancing was good , the snack bar's food and salads and ice cream and service were perfect .

Our pool complex is a gem for the Scarsdale Community. Let's hope for good weather for the rest of the summer and that the pool will bring our community safely together during the corvid pandemic.

Best regards,

Bob and Terri Harrison
