CAUTION: External sender.

To All :

FYI the attached Letter To The Editor was submitted to the Scarsdale Inquirer for this past Friday's paper. We hope you will take action at your Tuesday workshop meeting to reduce the proposed tax increase of 2.99 % to a 2 % increase based on additional funds from the American Rescue Plan of \$ 1.96 million and late paymen fee income of about \$ 1 million .

Thank you,

Bob Harrison , Chairman

To the Editor :

Do Scarsdale residents know that our Village is getting \$ 1.96 million from the American Rescue Plan and the US Congress with one half or \$ 989,000 coming in the next 60 + days in our new fiscal budget year starting June first .

Will Scarsdale taxpayers get a tax break in their high property taxes in the coming fiscal year ? At the moment the answer is NO as the Village Board's tentative budget has a tax increase of 2.99 % . It is time for our new Mayor and two new elected trustees and the entire Board to reduce any Village tax increase to less than 2 % and take into account the \$ 1.96 million of new money coming into Village coffers. Every \$ 400,000 can the reduce the Village tax increase by 1 %

Do Scarsdale tax payers want lower taxes then NOW is the time to act . Send your protest emails against a 2.99 % Village tax increase to mayor@scarsdale.com and dconkling@scarsdale.com (our village clerk) and Bob Harrison at proscars@aol.com or call 914 725-0962 or send a text to 914 646-4054 (cell).

The proposed tax increase for the coming year school tax is only + 1.93 % .Remember that that every tax increase compounds over time and that is why we taxpayers have to keep any tax increase at a minimum !!!
