Subject: Recycling Issues

Dear Mr. Mayor:

I am writing in support of weekly pick-up of recyclables and food scraps. I am a dedicated recycler and I typically drive to the sanitation and recycling station on Secor every other week to deal with recycling. Weekly pick-up would be a huge convenience for the community and I do believe it would increase recycling in the community if people knew that pick-up would occur on a more regular basis.

Thank you for your attention to this matter.

Sincerely,

Heather Kolb
