Dear Mayor Veron:

I write to ask you to preserve the Scarsdale pool as it is. Necessary repairs “yes.” Demolition and expensive new construction “no.”

As I am sure you know, the pool is a gem. My family and I have been so fortunate to enjoy the pool as Scarsdale residents for 32 years--and then as former residents for several years through the pool season which just ended. Yet, I am still struck by the pool's beauty when I walk through the entrance. A serene oasis with a deep sense of community.

After drafting this email, I read Art Resnick's letter to the editor of the Scarsdale Inquirer (dated 10/29/2022), calling the pool a “beautiful oasis”. How amazing that he and I independently chose the same word to convey the unique spirit of the Scarsdale pool.

I hope you will support whatever work is necessary to keep the pool in good repair, and reject attempts to change the character of this wonderful place.
