**Subject:** tax increase

To the Mayor & Village Board:

We strongly oppose a property tax increase.

We feel that we are already overcharged in taxes- paying \$32,560.64 from previous years of \$27,865.

My husband is 95 years old, paralyzed and bedridden. Our income consists of social security checks plus pension.

Every time we have to pay taxes we have to withdraw from the pension fund.

If anything, we need a reduction of taxes not an increase!

We hope you understand our situation and reconsider raising the tax.

Sincerely,

Ilga Klavins
