Jon, Steve and Bill,

A new nail salon has opened on Palmer Road in the Wilgram Building at Heathcote Five Corners. We welcome this new business to our neighborhood. However, the salon has placed very large signage in their front windows advertising a 20% off sale and parking in the rear. Since the signs occupy a very large portion of the windows, we are skeptical that they comply with the Village Code. Can someone please check this out?

Thank you and best regards,

Jeff Watiker
