Subject: The Richard "Rippy" Philipps Field at Crossways

CAUTION: External sender.

What a great way to show that long term efforts of compassion, dedication and love for the young people of Scarsdale can have a lasting impact. "Rippy" is what the fine people of Scarsdale should be trying to be and to honor of his name on Crossways Field is a no brainer. I look forward to returning to the old neighborhood and seeing his name on the field. Thanks for your consideration.

Thanks,
Jim Kelly
