Subject: Scarsdale pool

To Whom This May Concern

My name is Joan Silverman . I live at 126 Carthage Road in Scardale since 1977. I have joined and used the Scarsdale Pool complex for many years with great pleasure. Although it does need some rehabilitation, I do not believe an expensive and total change to the facility is necessary.Such work ,besides being a burden to me tax wise would not be completed in time for the coming 2023 season .I have many friends and acquaintances at the pool who feel the way I do.Please notify me when a meeting is scheduled to discuss this matter . I do know that many people who want a total reconstruction of the facility don't even use it...Many have their own pools or are members of expensive private clubs..I would like to have my voice heard at a meeting.Thank you.
