Subject: The Westchester Band Concerts in Chase Park

Brian -- I want to commend you, your department and the Village Board for continuing to schedule and support Thursday night summer concerts in Chase Park by The Westchester Band. These concerts, which have become a fixture in Chase Park over the past 17 years, are well attended and appreciated by sizable crowds that now spill out of the park and onto the closed off block of Chase Road in front of the Post Office.

It is hoped that the Village will continue its support of these concerts in future summers. I urge residents and others in the surrounding area to come and enjoy the music of this fine group of talented musicians well led by conductor Alan Hollander. The final concert this year is scheduled for 8:00 pm, Thursday, August 10, 2017.

Very truly yours, Jon Mark
