Subject: Water Issues at BOT Meeting tomorrow

Dear Mayor,

Thank you for addressing the water issues with us at SNAP meeting yesterday. I've been seeing people continue discussing water issues over the social media and some of them are planning to attend BOT meeting tomorrow night, so I am thinking if it's possible to include the personal from Water department in the meeting to answer the questions together with you. Please let me know your thoughts.

Thank you!

Best regards,
Judy Kerr
