Hello Mayor Hochvert,

I am writing to ask you to please approve the report from the Scarsdale Conservation Advisory Council on recommendations for the Scarsdale Sanitation Department. I have been driving my recycling (paper & comingled) and compost to Secor Road weekly because i have too much to store in my garage to wait for the bi-weekly recycling pickup. I love the new compost collection service at Secor, & if weekly curbside pickup was available it would save me the weekly trip to Secor & increase the likelihood of several of my neighbors to begin using the Scarsdale Compost collection service who do not want to make the trip to Secor Road. The addition of a furniture sharehouse collection pod would be wonderful as well. I just wanted to express my support of this report. Thank you for your attention and your service.

Best Regards,  
Kelly Sperling
