**Subject:** Food Scrap Recycling Pilot Program

Hello Mayor Mark,

I would like to voice my support of the proposed Food Scrap Recycling Pilot Program in Scarsdale. I have seen success first hand at the elementary schools. The children are doing a wonderful job separating their garbage, recycling, and compost. Adding the availability to compost food scraps is a tremendously effective way to reduce our waste and our carbon footprint.

Since we are the custodians of our environment for future generations, i applaud your consideration of this worthwhile program.

Best Regards,

Kelly Sperling
