Hi,

I would LOVE to see the football field at Crossways named after Coach Phillips "Rippy". Rippy has done so many incredible things for the town of Scarsdale, and especially for the football community. He is a mentor and role model for so many, and the town should honor him by naming the field after him. It would be an incredible way to honor and acknowledge all the time, effort, and love he has put into this community.

Thank you,
Kimberly Leone
