

> Dear Mayor Samwick and Village Trustees,  
>  
> Please reconsider the decision to offer pool memberships to  
> non-residents. COVID still poses a real risk, and we do not need a  
> more crowded pool this summer. At \$1200 (plus the option for guests),  
> we are pricing the pool below that of private clubs like Lake Isle.  
> I understand pool financials may be hurting, but rather than sell  
> memberships, please consider either raising the overall price for  
> Scarsdale residents or looking to the village for support (the village  
> should be receiving a large stimulus payment as part of the American  
> Rescue Plan Act). At minimum, there's no need to allow non-residents  
> to have full pool memberships. The Scarsdale pool has always been a  
> precious village resource - please, let's not change how it operates,  
> especially during these times.  
>  
> Thank you,
