Subject: Dog Park

Good Evening, Mayor

I am writing in support of the proposal to establish a dog park at the Weinberg Nature Center. We live in the Quaker Ridge area of Scarsdale and are owners of two adorable Golden doodles, Lulu and Peanut. Look forward to hearing more about how this proposal progresses as I think it will be hugely beneficial for our four legged relatives to have their own space. The traffic congestion only seems to be worsening which in turn poses a challenge for them to enjoy the outdoors.

Best,
Lalita
