Dear Mayor Samwick and the Board of Trustees:

I am writing in support of the proposal to name Crossway Field to honor Rippy Philipps. I have lived in Scarsdale for 25 years and have had three kids go through Scarsdale schools from K through graduation. I served on the board of the Little League for several years and as President for two years. I am very familiar with the youth and HS sports programs in this town and know how much effort it takes to provide our kids with a great experience. Rippy has made it his mission for over 20 years to make youth sports, and football in particular, a great experience for Scarsdale kids. He has brought tremendous value to our community and deserves to be recognized for his tireless and unceasing efforts. I think naming Crossway Field for Rippy is a terrific way to honor him for all that he has done.

Thank you for your consideration.
