The Scarsdale Sanitation Department went above and beyond the call of duty this morning. I called them to ask if the bulk garbage could be picked up in front of The Scarsdale Woman's Club before it's 1pm Arbor Day Celebration. Not only did they remove everything in time, but they also helped me load a large television into my car so that I could take it to the electronic waste bin at the Secor Road facility.

Then, the nice workers at Secor Road unloaded the TV before I could even say "hello." Of course I thanked all involved, but I wanted the Village Board and Manager's Office to be aware of the help I received today.

With appreciation,
