Subject: ZBA December 6th Meeting

To the members of the ZBA,

I will be out of the country when you meet, so I hope you will consider and act upon my pleas below:

Each week you evaluate requests and often grant permission to many causes that our zoning laws forbid. People get their pools, their fences, exceed their FAR ratios, etc., etc.

In short you approve more congestion, clutter and crowding at the expense of the ones not applying and not exceeding their allowances, at the expense of those absent here and at every other ZBA meeting.

For once, tonight consider all the people who are not here tonight, all the people that you have been taking advantage of “de facto”. Drive around Scarsdale, observe what you have been approving. Be appalled.

Resign like the CHP members. Turn down all the applications in front of you tonight and forever. Stop the carnage.

It is time you let Scarsdale be Scarsdale and stop this conquer and plunder attitude. Our lots keep getting smaller and smaller, our town is becoming a clutter of new, nondescript houses on streets old timers do not recognize.

The endemic flora and fauna disappearing to give way to a species of Homo Sapiens most of us do not recognize. Much like an aggressive, invasive weed.

Be bold, protect for once this town.

Be trustworthy of the trust entrusted in you.
