Dear Mayor,

I appreciate your quick acknowledgement of my email. However, I do not know if steps are being taken to address these issues or if steps will be taken in the near future.

These are now problems that have remained elusive to too many administrations before yours as I am sure you know.

I am confident however, these issues will finally be resolved in your capable hands. Please do not hesitate to contact me if I could be helpful.

With thanks,  
Lika L. Levi
