Subject: More demolitions less and less green space...

Dear Mayor Mark and Village Trustees,

You know my position on this, I have been on the sidelines for a while hoping you would address this issue. To date I have not seen a thing.

This article on the scarsdale10583.com site is further proof that this <http://scarsdale10583.com/about-joomla/letters-to-the-editor/5659-teardowns-abound-in-fox-meadow> matter needs to be addressed. Will you, please ?

Thank you very much,
Lika L. Levi
