Dear Mrs. Botvin--The meeting in the Library was an informal one. Monte Nido, their lawyers, residents and their lawyers will be given opportunities to speak this evening. For your information, I was at the Library meeting as well. as was Trustee Pekarek.

Very truly yours, Jon Mark

Subject: Monte Nido meeting

Monte Nido is slated to give their talk tonight at the Land Use Meeting. This talk was already given at the Library where Trustee Lee was present. Instead the town citizens and the lawyers should be able to present their case on why it is in our town's best interest to object to the placement of Monte Nido near Heathcote Road. We have a lot of evidence to present to the town, and we the Citizens of Scarsdale, who have invested decades in this community, and whose lives are about to change, should be heard.

Thank you.
