Dear Mayor Mark,

I'm writing to add to the voices hoping for no changes to how recycling is picked-up. I LOVE having the sanitation workers come to the back of my house and would find it EXTREMELY inconvenient and exhausting to have to lug heavy recyclables to the curb. I've been composting in my backyard for the last ten years, and am very glad the community is doing it, but don't want to see any resulting changes.

Thanks (and hello to BK),
Lisa Rodman
